Mr. G. E. Lear, Chief
Operating Reactors Branch 3
Division of Reactor Licensing
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Lear:

Pursuant to the requirement set forth in Section 6.1, Appendix B of the Technical Specifications for Peach Bottom Units 2 and 3, we are sending you under separate cover, 25 copies of the report for the environmental surveillance and special study program entitled "PBAPS - Postoperational Report No. 10 on the Ecology of Conowingo Pond for the period of January 1978 - June 1978, by RMC-Ecological Division."

Very truly yours,

W. B. Willsey
Superintendent
Services Division
