Dear Sir/Madam:

This is in reference to your telephone call of July 27, 1987 regarding the amendment request to our teletherapy license #37-02766-02 to add Dr. Joel W. Goldwein as an authorized user. Since that application, I would like to inform you that Dr. Goldwein has officially become board certified in radiation oncology as of June, 1987. Please attach this letter as documentation of that fact to the previously submitted form 313M, supplement A.

If you need any additional information regarding this application for amendment, please feel free to call me at (215)728-3021.

Sincerely yours,
