RE: License No. 47-24838-01
Docket or Reference No. 030-29171

Dear Mr. Guinn:

Per our phone conversation of this date. This letter is requesting an Amendment to our Material License. We are proposing to install another Texas Nuclear Device, duplicate of those presently licensed, at our Long Branch No. 5 mine located near Route 28, about 9 miles from Ottawa, West Virginia, location map enclosed.

A \$60.00 check is also enclosed to cover the Amendment fee.

Thank you for your assistance on the phone and, and if you need additional information, please contact me at (304) 369-6314.

Sincerely,

Miller Cope
