Subject: License No. 29-00651-05
Docket No. 030-22099

Dear Ms Johansen,

March 16, 1987

Effective on or about April 1, 1987, the RCA Laboratories, located at 201 Washington Road, Princeton, New Jersey, will become a subsidiary of SRI International, Inc. and will bear the name David Sarnoff Research Center, Inc. It is our intention to maintain a Material License for the same purposes stated in the subject license. We feel confident since the Laboratories will operate functionally in the exact same manner that you have procedures to assign or ammend said license to reflect this change in conditions.

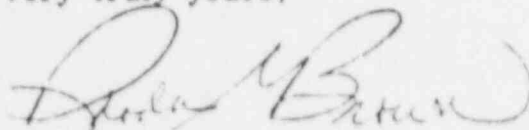

There is one change in the information submitted in the Application for Material License, NRC 313, Supporting Information (July 10, 1985):

1. Dr. Alvin Goodman, listed in Item #8

Employment of this individual will terminate 3/31/87.

Please advise us of any additional requirements at this time.

Very truly yours,

Rhoda M. Brown, CMS, Manager,
Occupational Health & Safety
