

APPENDIX A

NOTICE OF VIOLATION

St. Vincent's Hospital  
Bridgeport, Connecticut  
License Number 06-00843-03

Docket No. 30-01245

Based on the results of an NRC inspection conducted on August 23, 1978, it appears that certain of your activities were not conducted in full compliance with NRC regulations and the conditions of your license as indicated below:

- A. Condition 12 of your license limits the use, or supervision of use, of licensed material to certain named physicians.

Contrary to this requirement, from November, 1973 to the date of the inspection, August 23, 1978, a physician not authorized by this license condition routinely used licensed material at your institution and you failed to amend your license to reflect this use.

This item is a deficiency.

- B. 10 CFR 35.14(b)(5)(v) requires that your sealed sources possessed and used as per Schedule A of 10 CFR 35.100 under Group VI be physically inventoried quarterly to account for all the sources received and possessed, and that records of these inventories be maintained for inspection by the Commission.

Contrary to this requirement, as of August 23, 1978, you have failed to maintain the required records.

This item is a deficiency.
