In the Matter of Puget Sound Power & Light Company, et al.
(Skagit Nuclear Power Project, Units 1 and 2)
Docket Nos. 50-522 and 50-523

Dear Sir:

Reference is made to your letter of September 26, 1978 to me and Messrs. Busch, Black and Leed requesting further submissions from the parties and the petitioners for intervention. I have discussed with Messrs. Busch, Swanson (Staff) and Leed a proposed schedule for such submissions.

Mr. Busch hopes to be able to mail his submission on behalf of the petitioners by October 20, although he cannot now make a firm commitment to meet that date. Messrs. Thomsen, Swanson and Leed propose that any party desiring to make a submission serve the same within three weeks after receipt of Mr. Busch's submission.

Unless otherwise advised, we shall assume that the above proposed schedule is acceptable to the Board.

Very truly yours,

F. Theodore Thomsen
