Decommissioning Plan Addendum

Dear Mr. Person:

Please find enclosed four copies of a decommissioning plan addendum for Molycorp's York, PA facility, License SMB-1408. The decommission plan addendum is to permit free release of most buildings for demolition to grade. Molycorp, through its consultant IT Corporation, is following the guidelines in NUREG 5849 on release surveys. Region I has completed at least two spot surveys to determine compliance with the guidelines. Additional copies have been distributed as shown below.

If you have any questions please call me at the above number.

Sincerely,

George W. Dawes
