Dear Ms. Beardsley:

I have recently submitted my preceptor statement documenting training and experience for authorized user of byproduct material. Supplement A outlines my clock hours in lecture or laboratory. Most of this training took place at The University of Texas Southwestern Medical School, Dallas, Texas under the supervision of Dr. Robert W. Parkey, between the years 1985-1988. My supervised on-the-job experience also appears on Supplement A. In addition to Supplement A, there were 640 additional hours during this same fellowship where I received supervised clinical experience.

Please be aware that the hours indicated on Supplement A are in addition to the hours of supervised clinical experience listed on Supplement B. If you have any questions please do not hesitate to contact me at (212) 305-9008.

Sincerely,

Jose Katz, M.D., Ph.D.
Physician/Owner

To whom it may concern:

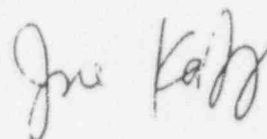

Regarding my application for an NRC license, please note that, in addition to having a Ph.D. degree in high energy physics and being a cardiologist. I have also done extensive radiation as well as clinical nuclear cardiology training at Southwestern Medical School in Dallas, Texas. The person in charge of my training was Dr. Robert W. Parkey, distinguished professor of diagnostic imaging and head of the department of radiology at Southwestern Medical School in Dallas, Texas. Please, do not hesitate to contact him at tel: (214) 648-8018, FAX: (214) 648-2678, if he can be of any assistance to you regarding this application. In addition, please do not hesitate to contact me at tel:
