Gentlemen:

Subject: Inquiry No. 87-01

This refers to a telephone inquiry by Steven Courtemanche of this office with yourself on December 16, 1987. This inquiry concerned activities authorized by License No. 47-16875-02, as they relate to the pending need for renewal of your license.

From this discussion, it is our understanding that you plan to request an extension of your license for 90 days for storage only so that licensed material presently in your possession can be disposed of by either return to the manufacturer or disposal by a commercial waste broker. Also, we understand that you plan to terminate your license after the disposal by submitting the enclosed Certificate of Disposition of Materials with a letter requesting termination to this office. If our understandings are incorrect, please inform us in writing.

In accordance with Section 2.790 of NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. Should you have any questions concerning this inquiry, we will be pleased to discuss them with you.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
