Gentlemen:

VIRGINIA ELECTRIC AND POWER COMPANY  
NORTH ANNA POWER STATION UNITS 1  
INSERVICE INSPECTION REPORT-SUPPLEMENTAL INFORMATION

Virginia Electric and Power Company letters dated September 28, 1987 (Serial No. 87-553) and November 30, 1987 (Serial No. 87-553A) transmitted the North Anna Unit 1 Inservice Inspection Report for the 1st Interval 3rd Period. A subsequent document review of the Component serial numbers, State or Province numbers, and National Board numbers of items listed on the NIS-1 Forms has revealed some errors in these numbers. Attached are the corrected NIS-1 Forms for the North Anna Unit 1 Inservice Inspection Report.

Very truly yours,

  
W. L. Stewart
