Dear Mr. Fliegel:

I am informed that you are compiling a mailing list of interested parties who wish to receive copies of documents related to the Atlas Corporation licensee (Docket No. ). Please put my name on that list:

R. L. Christie, ATL  
P.O. Box 1366  
Moab, UT 84532

If you have enough parties express interest, you might consider placing master copies of licensing documents at the Grand County Library as a "reading room," and mailing simple notices to those on your mailing list when new documents are sent there. This could save the federal government a considerable sum in reproduction and mailing costs, while providing good notice and access to actions and findings concerning the Atlas tailings reclamation process to interested members of the public.

Sincerely yours,

*Richard Lance Christie*
