Dear Ms. Vacherlon,

This is to inform you of the disposal of our SR-90 eye applicator. The applicator was sent back to its manufacturer (Isotope Products Lab, 1800 N. Keystone, Burbank, CA 91504) on 7-7-87. Please delete this item from our materials license.

Dr. Frost is also presently reviewing Nuclear Medicine procedures under my supervision. After a period of 3 months we will submit a letter stating his experience and that we wish to add him to our license.

Thank you for your cooperation.

Sincerely,

C.H. Bahng, M.D.
Radiation Safety Officer
