Dear Sir:

We request Ching Po Li, M.D. and Stephen M. Moehlman, M.D. be removed from our materials license #34-13100-02. These physicians will no longer be using our services.

Also, we would like to acknowledge a room change for the Nuclear Medicine Department. All the proper information required by the U. S. Regulatory Guide Appendix "N" is included.

Dr. J. B. Frost, M.D., medical license #040726, should be added to our NRC license. The below information includes the institute and license number that Dr. Frost has previously been listed under.

Department of Radiology license #39-14873-01
