Dear Mr. Haddock:

This refers to your letter dated April 18, 1997, in which you inform the NRC that Advanced Medical Systems, Inc. (AMS) intends to dispose of all its packaged radioactive waste with the exception of sixteen shielded drums and four inserts, beginning the week of May 18, 1997. We have completed our review of the procedures for the disposal of the waste, which were forwarded under separate cover, and have no further questions. Please continue to keep my staff informed of any changes in the waste disposal schedule.

Sincerely,
