Dear Commissioners:

To clarify my status: I am a member of the Northwest Coalition and live on 40 acres approximately 29 miles from Big Rock Point. (16.31 miles due east and 23.56 miles due north) My mailing address is 350 Route One, Levering, Michigan 49755.

Ronald Beyer is a member of Nomad and one of the individuals I am representing. (The chairman has received via Don Albosta a letter from Mr. Beyer docketed September 24, 1979.)

I have lived within 30 miles of the plant during summers and now full time for over 15 years. I am investing my labor in our 40 acres of land in return for shared ownership. My family owns a resort home within 30 miles of the Big Rock Plant. These resources, the homes etc. of the individual members of the Northwest Coalition and those enumerated in our petition would all be affected, perhaps rendered unusable by any spent fuel accident. We derive both sustenance and pleasure from these properties. We should therefore be allowed to intervene in these proceedings.

Respectfully yours,
