Dear Mr. Harrington:

I am writing in response to your letter to the Commission regarding your request for information about Three Mile Island. I regret that this answer to your letter has been delayed. The accident and its consequences have created a substantial increase in the agency's workload, which has prevented me from responding to you as promptly as I would have liked to.

These title lists can be obtained for \$4.50, \$5.50, and \$4.00 respectively, from the following address:
