Dear Mr. Thomas:

Recently you received the final report on Phase III decommissioning activities at the GA Technologies site. The cover page of this report incorrectly indicated that it was prepared in February 1987. Please change your copies to indicate that it was completed in February 1988.

Thank you for your assistance in this matter. If you have any questions or comments, please contact me at FTS 626-3355 or Jim Berger at FTS 626-3305.

Sincerely,

Phyllis R. Cotten
