

March 16, 1988

Docket No. 99900505

Mr. Charles C. R. Healy
Director, Quality Assurance
Ebasco Services, Inc.
Two World Trade Center
New York, New York 10048

Dear Mr. Healy:

This letter is to inform you that arrangements have been made for our inspectors, Messrs. Walter Haass and Robert Pettis to visit your offices at the World Trade Center beginning on March 28 for two or three days to audit your procedures and records regarding vendor evaluations and safety-related procurements for items purchased for the Waterford Steam Electric Station. The arrangements were made with your Messrs. Sal Sparacino and Herman Kunis, Jr., by telephone on March 10, 1988.

Sincerely,

Original Signed by

James C. Stone, Acting Chief
Vendor Inspection Branch
Division of Reactor Inspection and Safeguards
Office of Nuclear Reactor Regulation
