Dear Ms. Hemby:

Would you please rescind Dresser Atlas Export Sales license to U.S.S.R. dated June 15, 1978, Control #XB000962 to ship cesium, americium, and radium. Also, please rescind our amended application dated August 8, 1978, Control #XB000-976 to ship cesium and radium.

The rescission is in favor of Armco International Inc.'s application which was mailed to you on October 19, 1978. The source has been purchased by Armco International and is to be shipped by Armco's carrier.

We request that their application for a license be considered filed on June 15, 1978, when we first filed ours.

Sincerely,

Ardon B. Judd, Jr.
