Gentlemen:

SUBJECT: TRANSMITTAL AND EXPLANATION OF LICENSE AMENDMENT
(REFERENCE: 251378, 030-09858)

This refers to your correspondence dated December 5, 1986, NRC letter dated February 10, 1987, and a number of telephone calls with Dr. A. A. Cintron-Rivera. As of July 23, 1987, we have not received a reply to our letter of February 10, 1987.

Accordingly, we are unable to take action on that portion of your request regarding adding a bone mineral analyzer. However, at such time as the requested information is received, we will consider reactivating your request.

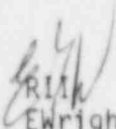

We are enclosing Amendment No. 03 to your license. This amendment covers a clarification of licensee name and a mailing address change.

If you have any questions about these matters, please call me at (404) 331-5565.

Sincerely,

Earl G. Wright
