Reference: Letter dated February 26, 1988 from
J. W. Gallagher (PECo) to T. T. Martin (NRC)

Dear Mr. Martin:

The referenced letter provided Philadelphia Electric Company's response to your letter dated January 22, 1988 which transmitted the subject inspection report. All pages of that response letter contained Safeguards Information and were marked accordingly. On March 3, 1988, James C. McKnight of the NRC Document Control Desk requested R. J. Weindorfer of my staff to provide a version of the February 26, 1988 letter from which all Safeguards Information has been deleted for filing in the Public Document Room. In accordance with this request, we are enclosing such an expurgated version of the February 26, 1988 letter.

If you have any questions or require additional information, do not hesitate to contact us.

Very truly yours,

Jw Gallagher
