Gentlemen:

SUBJECT: TRANSMITTAL AND EXPLANATION OF MATERIAL LICENSE
(REFERENCE: 251554, 030-19679)

Enclosed is Amendment No. 04, which renews License No. 52-21026-01 for a period of five (5) years and adds Dr. Enery Navarrete and Dr. W. Ruiz as authorized users.

Please note that this license restricts your use of Iodine 131 under subitem 9.C. to capsule form only. This has been done because information in your letter of May 4, 1982, specifies that you do not have hood facilities for proper and safe handling of Iodine in other than capsule form.

If you have questions about your license, call me. My telephone number is (404) 331-5565.

Sincerely,

Earl G. Wright
