SUMMARY

I told Mr. Brown that the amendment to Al's license was being held for a "financial assurance statement" (?) which he was not aware of. I asked him to call Alvin's to see approximately how long it may be before the amendment to their Alvin's license could be issued and to call me back. I explained that it would be easier to renew their NRC license once they were licensed in Al.; therefore, if the resolution will be longer than 10/31/87, we'd prefer to extend the expiration a few months and then renew it.

ACTION REQUIRED

Wait for Mr. Brown's return call.
