RE: License No.: 21-14810-01

Gentlemen:

This is in response to your letter dated September 22, 1978 concerning non-compliance items found in your inspection of August 21 & 22, 1978.

1. Application for amendment to our license for the change in the South Wall has been made with the NRC in Washington.
- 2 & 3. Termination notice has been sent to Mr. Smith and a report has been made to the NRC (copies enclosed).
4. An additional room survey has been made and a copy is on file (copy enclosed).
5. All training records are on Form RR-4 in the personnel files (copies enclosed).

Items 2 through 5 will be given special attention on my future quarterly inspections to insure compliance in the future.

If you have any questions concerning this response, please contact me at your convenience.

Sincerely yours,

MICHIGAN TESTING ENGINEERS, INC.
