Re: Stanislaus Discovery -  
Anaheim

Dear Richard:

The purpose of this letter is to bring you up-to-date on the status of the remaining documents in Anaheim which PG&E has not yet reviewed.

I am sending a team of attorneys to Anaheim beginning Monday, October 30, 1978 for the purpose of reviewing those documents which have not previously been reviewed. I estimate that we will be complete with the process of reviewing those documents by about the middle of November. While those documents will be available for PG&E's discovery immediately upon completion of City's review, I note that the following week (the week of November 20) includes the Thanksgiving holiday and therefore, I would suggest sending your people down to Anaheim beginning the week of November 27. We are, of course, prepared to accomodate you at any other time as may be convenient for you.

Please contact me so that we can schedule dates for your review of these documents so that we may complete discovery of Anaheim.

Very truly yours,

Peter K. Matt
