APPLICANTS' REQUEST FOR A FURTHER  
EXTENSION OF TIME TO FILE THEIR  
OPPOSITION TO MOTION OF ATTORNEY  
GENERAL FOR THE COMMONWEALTH OF  
MASSACHUSETTS TO ADMIT LATE-FILED  
CONTENTION AND REOPEN THE RECORD

Applicants request an extension of time to February 22, 1988 to file their opposition to the motion of the Attorney General for the Commonwealth of Massachusetts ("Mass. AG") to admit his late-filed contention on the notification system for Massachusetts and reopen the record. This Appeal Board previously granted Applicants an extension of time to January 26, 1988.

Applicants are currently developing alternatives to fixed sirens for early notification and clear instruction to the populace in the Massachusetts communities within the Seabrook EPZ and believe those plans would be germane to the

Mass. AG's motion. Regarding Mass. AG's motion to reopen on the Newburyport sirens issue, the NRC Staff has suggested that this Appeal Board defer ruling until Applicants submit fuller alternative notification plans, taking into account the loss of fixed sirens in neighboring Massachusetts towns. Applicants expect to have their plans developed and ready for submission by February 22, 1988 and therefore request this further extension of time to that date.

Applicants are informed that Mass. AG does not assent and that the Staff does assent to this request.
