Utility Finance Branch
Division of Engineering
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

SUBJECT: Amendment #7 to Indemnity Agreements #E-16 and E-53

Dear Mr. Saltzman:

This is to acknowledge receipt of your request for execution of the above amendments by the Regents. A review of our records indicate that Amendments #8 to the above Indemnity Agreements superceding the Amendments just received have already been executed by the Regents. According to these Amendments Article III - paragraph 4 (b) (2) have been amended by "deleting the amount \$140,000,000" and substituting therefor the amount "\$160,000,000".

In view of this situation, execution of the superceded Amendments does not appear to be necessary.

Please let us know, however, if we can be of further assistance in this matter.

Sincerely,

Stephen J. Deness
Associate Director
