Re: Texas Utilities Electric Company, et. al.
Docket Nos. 50-445-OL and 50-446-OL

Dear Ms. Moore and Ms. Ellis:

As you are aware, TU Electric is involved in litigation with the minority owners of CPSES in Texas state court. During the course of discovery in that proceeding the minority owners reviewed the files of Cygna Energy Services, Inc., ("Cygna") and copied a number of documents contained therein. In addition, the minority owners deposed Nancy Williams, the Cygna project manager, on February 17-19, 1988 and March 15, 1988. This letter is to advise you that TU Electric has obtained copies of the documents obtained from Cygna's files as well as the transcripts of Ms. Williams' deposition, including the exhibits to the deposition, and will make those documents and transcripts available for review by the parties to this proceeding.

Because all of these documents are being made available for review, no attempt has been made to determine whether any of these documents or the information contained therein is responsive to previous discovery requests.
