Subject: Page Amendment No. 3 to Seabrook Plan for Massachusetts Communities  
(SPMC)

Gentlemen:

Page Amendment No. 3 to the SPMC and its implementing procedures is  
submitted as Enclosure 1 pursuant to the requirements of 10CFR50.4(b)(5).  
Nine (9) copies are provided to facilitate your review.

Content changes contained in Page Amendment No. 3 are attributed to  
either (1) resolutions to FEMA generated comments, based upon the review FEMA  
is currently conducting of the SPMC as requested by New Hampshire Yankee (NHY)  
in Reference (b), or (2) incorporation of refinements based on lessons learned  
from training and drills. Resolution to FEMA comments include the following:

- o Clarification of actions to be taken for Massachusetts beaches and  
other special populations.
- o Revision of Offsite Response Organization callout staffing and shift  
change procedures.
- o Deletion of Offsite Response Organization Mode 3 Operation.
- o Enhancements, updates, corrections or clarifications providing more  
detail.

It should be noted that approximately half of this submittal is due to  
pagination; for example, if a change made to any page causes the content of  
that page to extend over to the next page, all subsequent pages of that plan  
section, implementing procedure or plan appendix may be renumbered.
