SUBJECT: 1997 EMERGENCY PREPAREDNESS EXERCISE SCENARIO

Dear Mr. Terry:

We have reviewed your letter dated May 28, 1997, and the enclosed scenario for the Comanche Peak Steam Electric Station emergency preparedness exercise scheduled for July 23, 1997.

Based on our review, we determined that the exercise scenario is appropriate to meet emergency plan requirements and exercise objectives. Minor questions were resolved during a June 19, 1997, telephone discussion with Mr. Norman Hood of your staff.

We contacted the Federal Emergency Management Agency, Region VI, during our review. Ms. Brenda Mosley had no comments for us to relay to you.

Should you have any questions concerning this letter, please contact Ms. Gail Good of my staff at (817) 860-8215.

Sincerely,

Arthur T. Howell III, Director  
Division of Reactor Safety
