Re: Amendment to License #06-30260-01
Docket #030-34007

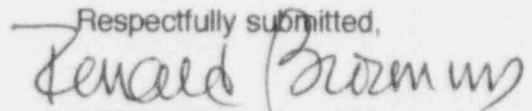

Dear Sir or Madam:

This letter serves to request a license amendment to our private medical practice. We have recently completed a change in name from "Ronald J. Bloom, MD, PC" to "Cottage Grove Cardiology, PC" to better reflect our practice specialty and our location in the community we serve. Please make the necessary changes to your files and note the new name on the license amendment. There is no change in the ownership, nor, in the operating procedures of the office, therefore, the statements and representations made in our license application of 1995 remain true.

Enclosed is our check in the amount of \$ 440.00, as indicated in the fees schedule of 10 CFR 170.31, 7.C. We are unsure as to whether an amendment and fee is required for simply changing our corporate name and nothing else. If the fee and license amendment is unnecessary, then please return the check enclosed.

If I can be of any assistance, please do not hesitate to contact me at these offices (860) 242-8756. We appreciate your efforts with the amendment and we look forward to a continued safe and effective materials program. Thank you.

Respectfully submitted,

Ronald J. Bloom, MD
President
