Good Morning to the NRC FOIA Office,

I would like to make two separate requests to receive documentation on behalf of the **Freedom of Information Act**.

**Request 1:** I would like to request as much available information on the **winning proposal response** documents of **Oasis Systems** to **RFP nrc-hq-10-14-t-0001**.

**Request 2:** I would also like to request as much available information on the **winning proposal response** documents of **Business Integra Solutions** to **RFP nrc-hq-10-16-c-0003**.

I have attached the original RFP's for your reference.

I appreciate your help in advance.
