Subject: [External_Sender] Docket ID NRC-2016-0231 - No Radioactive waste in Texas/New Mexico

Re: Docket ID NRC-2016-0231

I request that the NRC host real public meetings at least six months after coronavirus risks are over.

Please hold public input meetings in cities through which radioactive waste could travel – including Dallas/ Ft. Worth, San Antonio, Houston, El Paso and Midland, as well as major cities throughout the U.S.

I oppose having the nation's most deadly radioactive waste dumped in the Texas/ New Mexico region.

Sincerely,

Leslie Currens
