MEMORANDUM AND ORDER

(Establishing Initial Prehearing Conference Schedule)

In response to the Licensing Board's June 8, 2020 memorandum and order,¹ the participants to this proceeding provided the Licensing Board with a June 15, 2020 joint e-mail specifying the dates and times they would be available for a telephonic oral argument in this license amendment application proceeding regarding Vogtle Unit 3. After reviewing the participants' scheduling information, the Board has decided to convene an initial prehearing conference on Wednesday, July 1, 2020, beginning at 10:00 a.m. Eastern Time (ET). The Board will provide applicant Southern Nuclear Operating Co., Inc. (SNC), the NRC Staff, and petitioners Blue Ridge Environmental Defense League and its chapter Concerned Citizens of

In addition, members of the public wanting to hear the argument can connect to a toll-free listen-only line by dialing 888-566-5903 and entering passcode 2416062, followed by the “#” sign. The oral argument will be transcribed, and the transcript will be placed in the agency’s Electronic Hearing Docket as soon as it is available.

The Board notes that in response to the Board’s June 8 issuance,² petitioner BREDL requested four speaking (leader) lines. However, only its primary representative, Louis Zeller, has entered a notice of appearance authorizing him to speak as a BREDL representative.³ The Board would like to clarify that before the other three individuals can be authorized to speak on BREDL’s behalf, each must enter a notice of appearance as well, which each should do on or before Monday, June 22, 2020.

The oral argument will be conducted in accordance with the protocols outlined in our June 8, 2020 issuance.⁴ The Board anticipates discussing with the participants the subjects of BREDL’s standing to intervene and the admissibility of BREDL’s two proffered contentions, as

well as the issue raised by BREDL concerning its access to documents relevant to the SNC license amendment request at issue in this proceeding.⁵

It is so ORDERED.
