**Subject:** NRC Acceptance for Review of ASME Code Alternative to Preservice Inspection of Volumetric Examinations (ALT-14)

Curt,

The NRC accepts your ASME Code Alternative for review. If we have questions or clarifications, you will hear from me. I am planning to complete the review by your stated "requested by" date, unless we negotiate something otherwise. The staff estimates 275 hours for the review. That estimate is very uncertain and is likely to change as the review progresses.

Respectfully,

Billy

William (Billy) Gleaves  
Senior Project Manager  
NRR/Vogtle Project Office  
US Nuclear Regulatory Commission
