Reference: USNRC License No.: 42-32219-01, Docket No.: 030-35252  
LBP-20-05 Memorandum and Order Approving Settlement  
ADAMS Accession No. ML20052D256

Dear Sir or Madam:

In accordance with the provisions of the Board approved Memorandum and Order Approving the Settlement between NRC and TEAM, LBP-20-05, Team Industrial Services, Inc. ("TEAM"), provides that, as of the date of this communication, the following commitments have been completed.

- Item (1): TEAM has developed a computer-based training module covering NRC regulations. The module is approximately one hour in length and includes the NRC's prohibition of deliberate misconduct, consequences for violating NRC regulations, the incident identified in NRC Enforcement Action EA-18-124 and lessons learned from that incident. Quiz questions and answers have also been developed that will be used to assess the effectiveness of the training.
- Item (2): A link to the training module, and questions and answers was provided to the NRC Region IV Director, Division of Nuclear Materials Safety on May 20, 2020.
- Item (5): A one-time company-wide safety bulletin was developed and issued on April 14, 2020 to all TEAM US employees covering the events identified in NRC Enforcement Action EA-18-124 and emphasizing the importance of following procedures, maintaining compliance with regulatory programs, attention to detail and care when working with/around hazardous materials.

As the training materials submitted are considered proprietary information, TEAM requests this information be withheld from public disclosure in accordance with 10 CFR 2.390.

Additionally, we request written confirmation of receipt of the materials be provided insuring the materials were successfully delivered and received in compliance with the Order.
