Stop the presses, here is some incredible news:

"Almost One Million people request tickets for the Saturday Night Rally in Tulsa, Oklahoma!" - President Trump, June 15 2020

This is both great news and a dilemma. The BOK Center in Tulsa only seats 19,000. Where could Trump put his other 981,000 fans? Fortunately the Trump campaign is a well oiled machine, so they arranged for overflow seating and for outdoor speeches. That's planning. That's preparedness. Now all they needed to do was sit back and await the throng!

Oops - at most only 12,000 people showed up. What a disappointment. But during his presidency Trump has made many friends, so people were quick to offer sympathy:

"The last time I saw a crowd this small was Trump's Inauguration." - Pennsylvania congressman Brendan Boyle
