Hi Robin,
Yes please, you are correct (Dr. Patel left long ago- before I arrived 2 years ago it seems)
Matthew Kauffman is the correct Administrative contact for Windham Hospital.
You are welcome to email me if that helps as well, I meet with the administrative and RSO teams often.

Thank you Robin,

My best,

Bette

STOP, THINK, READ. This is an external email. Exercise extra caution responding to it, opening attachments and following links.

Hi Bette,

I have been assigned the subject amendment request. It looks like I have all the technical information to process the amendment. I was just wondering if Dr. Patel should still be the management contact for the license or should it be Matthew Kaufman? If it is Dr. Patel, can you please provide an email address for him?

Thank you,

Robin L. Elliott
