Dave,

Honeywell would like to retract the previous DFP 1 RAI and offer the following response:

DFP 1 – Justify key assumptions in the DCE related to the disposition of inventory (10 CFR 40.36(d)(1)(i)(A); 10 CFR 40.36(d)(1)(ii); 10 CFR 40.36(d)(2)(v); Draft Interim Staff Guidance on Decommissioning Funding Plans for Materials Licensees)

Honeywell Response to DFP 1: The uranium inventory stored at Honeywell is owned by our customers and those customers are responsible for the retrieval of the material.

Please contact me with any additional questions.

Regard,

Sean Patterson
