Subject: [External_Sender] Proposed Emergency Preparedness for SMRS
Date: Wednesday, June 24, 2020 3:40:53 PM

Mr. Beall, I was not able to schedule time to attend the public meeting today due to a number of factors. Please extend the public comment period for 6 months beyond July 27 so that I and others have time to read all of the materials and prepare comments.
Thank you,
Paul
