

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

July 16, 2020

MEMORANDUM TO: Sabrina Atack, Director  
Division of Security Operations  
Office of Nuclear Security and Incident Response

FROM: Danté Johnson, Chief */RA/*  
Security Performance Evaluation Branch  
Division of Security Operations  
Office of Nuclear Security and Incident Response

SUBJECT: MEETING SUMMARY FOR THE PUBLIC MEETING BETWEEN THE  
U.S. NUCLEAR REGULATORY COMMISSION STAFF, NUCLEAR  
ENERGY INSTITUTE, ENTERGY, NEXTERA, AND INDUSTRY  
STAKEHOLDERS ON RESUMING U.S. NUCLEAR REGULATORY  
COMMISSION-CONDUCTED FORCE-ON-FORCE EXERCISES  
DURING THE COVID-19 PUBLIC HEALTH EMERGENCY

On July 9, 2020, the U.S. Nuclear Regulatory Commission (NRC) held a public meeting. The purpose of this meeting was to discuss considerations for resuming NRC-conducted force-on-force exercises during the COVID-19 public health emergency with representatives from the Nuclear Energy Institute, NextEra, Entergy, and other relevant stakeholders. Enclosed is a summary of the meeting, including the NRC Presentation and a detailed summary of the discussions held during the public meeting

Enclosure:  
Meeting Summary
