The NRC has performed an acceptance review of your submittal dated July 7, 2020, 'Amendment Request for License SNM-142 (Docket No.: 70-152,' amendment for change in Radiation Safety Officer, and found it acceptable for further review. This correspondence has been docketed in the Agency Documents Access and Management System (ADAMS) with accession number ML20199M175. I will be completing the review and the license will be amended to reflect the staff change. Correspondence will be issued to your office once completed. If you have any questions or need any other assistance, please contact me.
