Re: License Number 47-17199-01

To Whom It May Concern,

Please amend our radioactive material license as follows:

1. Remove Joseph Baisden M.D., PhD from our license. Dr. Baisden is no longer providing services to our facility.
2. Remove Gary Roberts D.O. from our license. Dr. Roberts is no longer providing services to our facility.

If you have any questions, please contact our physicist, Tommy Parsons at (888) 456-5255.

Thank you for your attention to this matter.

Respectfully,

Timothy A. Bess
Chief Executive Officer
