Subject: Three Mile Island Security Plan, Training and Qualification Plan, and
Safeguards Contingency Plan, Revision 22

Pursuant to 10 CFR 50.54, "Conditions of licenses," paragraph (p)(2), Exelon Generation Company, LLC (Exelon) is submitting Revision 22 to the Three Mile Island Security Plan, Training and Qualification Plan, and Safeguards Contingency Plan. Changes to this document were implemented on June 2, 2020. In accordance with 10 CFR 50.54(p)(2), Exelon is submitting these changes within 60 days of implementation (i.e., no later than August 1, 2020).

This revision of the TMI Physical Security Plan (PSP) incorporates enhancements to the Defueled Defensive Strategy. The revision also reflects the devitalization of an area no longer meeting the criteria of a vital area. In addition, some editorial changes were made to remove reference to core damage.

Exelon has concluded that the changes do not decrease the safeguards effectiveness of the Three Mile Island Security Plan, Training and Qualification Plan, and Safeguards Contingency Plan.

Attachments 1 and 2 contain Safeguards Information. There are no commitments in this letter.
