

# United States Senate

WASHINGTON, D.C. 20510

February 15, 1977

Mr. Carlton Kammerer, Director  
Office of Congressional Affairs  
Nuclear Regulatory Commission  
1717 H. Street, Northwest  
Washington, D.C. 20504

Dear Mr. Kammerer:

Attached please find correspondence from Mr. Howard Osborne of Petaluna, California. Because this matter falls under your jurisdiction, I would appreciate any information you could forward that would aid me in replying. Please send any information to the attention of Mary Goedde of my staff.

Thank you for your cooperation.

Sincerely yours,

S.I. Hayakawa

Dear Senator

I strongly oppose the opening of the Nuclear Power Plant, at Diablo, Calif. I feel that it is unsafe, due to the possibility of an earthquake.

Sincerely,  
Howard Osborne
