Re: License Termination Request – Desert NDT, LLC dba Shawcor (License No. 42-35224-01)

We request that our US NRC License (42-35224-01) be terminated as we haven't done work within the jurisdiction.

We will be requesting reciprocity as we do see a little work that we might be awarded.

Please let us know if you require any additional information from us.

Sincerely,

Casey L. Glassey
Corporate Radiation Safety Officer
