- Press *2 (star two) – To cancel your request to ask a question

Presentation Slides, Option 1

To see the slides in real-time as they are presented, you will need to join through WebEx. You still need to use the above phone bridge to hear audio because no audio will be available through the computer.

Register for the webinar prior to the meeting using this link:

Presentation Slides, Option 2

As an alternative to WebEx, the meeting slides will be made available for download on the meeting website a few days before the meeting in pdf format. If you choose this option, you will have to manually turn the slides to follow the presentation. You will need to call in to the above phone bridge to hear the presentation. The slides will be under the 'Related Documents' section of this website a few days before the meeting:
