Michelle Beardsley, Health Physicist/State Regulation Review Coordinator
Agreement States Program Branch
Division of Materials Safety, Security, State, and Tribal Programs
Office of Nuclear Materials Safety and Safeguards
U.S. Nuclear Regulatory Commission

Dear Ms. Beardsley:

Enclosed is a copy of proposed revisions to the Kansas Radiological Health Regulations for review and comment by the Nuclear Regulatory Commission. The proposed revisions are being sent through concurrence with the Kansas Division of the Budget, the Kansas Department of Administration, and the Kansas Attorney General's Office. The proposed revisions made to our regulations are identified by line-in/line-out text.

<u>Rats ID</u>	<u>Title</u>
-----------------------	---------------------

- | | |
|----------|---|
| • 2015-3 | Revisions to Transportation Safety Requirements and Harmonization with International Atomic Energy Agency Transportation Requirements, 10 CFR Part 71 |
|----------|---|

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Nuclear Material Safety and Safeguards (NMSS) Procedure SA-200. Revisions to Kansas regulations in response to NRC comments are addressed in the enclosed crosswalk. Please contact me if you have any questions at 785-296-1989 or james.uhlemeyer@ks.gov.

Sincerely,

James Uhlemeyer
Environmental Program Administrator
KDHE Radiation Control Program
