Title: EMBARK Venture Studio - Public Workshop on MAP-X

Date(s) and Time(s): December 17, 2020, 09:00 AM to 10:30 AM

The time of the meeting is local to the jurisdiction where the meeting is being held.

Location: Webinar

Category: This is a Category 2 meeting. The public is invited to participate in this meeting by discussing regulatory issues with the Nuclear Regulatory Commission (NRC) at designated points identified on the agenda.

Purpose: This meeting is the first opportunity to have public engagement on the NRC staff's efforts to provide additional data access to stakeholders. In partnership with the Office of the Chief Information Officer, NRR's EMBARK Venture Studio intends to develop a portal to empower stakeholders with a secure, flexible, and personalized self-service gateway to retrieve, submit or interact with appropriate regulatory-related information. This meeting is intended to provide an opportunity for NRC staff, industry, and the public to discuss the initiative and explore its viability and usefulness.
