Re: Resolved Items from Amendment request dated December 14, 2020, not in docket

Reviewer: Shawn Seeley

1. I verified with Kim Wieback of the NHPP of the VA MML, that the permit under which Rene Michel was the RSO, that it included 35.100, 200, 300 and 400 uses.
2. I confirmed that Pavlica was an ARSO at Walter Reed.
3. I verified that we had a signed copy of the Navy permit to support D(7) in the Branch 1 section of the G: drive.
4. I verified with the AF MML PM that SSGT Hayes was not an AU but had worked under the current RSO listed as the supervising individual on the 313A Form.
